

Du verkaufst ein Haus!

Work in groups of 2-3 to prepare a video in which a realtor presents a house or apartment to a potential buyer.

You may choose to do a slide show instead of a video, in which you will have to compile a slide show with pictures of the home and present it to the class.

Roles: realtor and buyer(s)

Criteria:

You should include

_____ the price of the home

_____ the location of the home

_____ the number of bedrooms, bathrooms and floors

_____ whether it has a basement, attic, garage, balcony or amenities like a pool or big yard

_____ at least 2 verbs using the Dative Case (stehen, liegen, hängen).

You will have the opportunity to earn *extra credit* during this skit!

_____ use of *weil* or *deshalb*.

_____ A creative shoutout to Herr Singleton...

Helpful words/phrases:

die Nachbarschaft = *neighborhood*

die Etage = *floors, levels*
